Appomattox Progress

A public meeting of the citizens of the town of Appomattox was held in the Courthouse Monday evening, and after talking over the needs of our growing town, some account was taken of the wonderful advantages offered our homes here by the progressive town. A very rich prize is the pure crystal water flowing from the artesian well of the ice plant. A huge tank is being erected by Walter Hancock and Dr. Twyman to store this water for the use of the town. Funds were raised to lay 6-inch water mains and fire plugs in the principal streets and 4-inch pipe will be laid on residence streets for home supply. The tank is nearing completion and the pipe for the mains has been ordered. The work will be rushed to completion.

Work will begin shortly on the concrete street from the depot to the State Highway. The progress of the town is so rapid that a strong sentiment is crystallizing for incorporation. In our judgment it cannot be delayed much longer. Some few lack the spirit of progress and share in the expenditure of contributed funds and the great benefits of this progressive town along with contributors without taking a part in the town's progress. Come on, one and all and be a booster for the best town in the State. You can't afford to be a slacker when your home is besieged by any enemy.

Co-Ops

Seven times as much tobacco was delivered to the 35 warehouses of the Tobacco Growers Co-operative Association which opened last week in Eastern North Carolina and several old belt markets as was received by the association in the entire Eastern belt during its first week of operation last year. the 1924 deliveries of the tobacco co-ops in the East having already passed seven hundred thousand pounds.

The satisfaction of association farmers over the highest advances ever paid by their organization is resulting in large deliveries to the co-operative floors where increased payments on a great majority of the grades have brought larger returns to the farmers on practically every load this year. In addition to this, the tobacco co-ops have now attained their goal of a 75 per cent cash return for the tobacco of every member who desires it, by means of loans to the members who wish to borrow half on much money as they receive from their deliveries.

Very few cases of contract breaking have been brought to the attention of the association's legal department this year, but the association has been successful in several recent cases where contract breakers have been required to pay liquidated damages for selling their tobacco outside of their own organization or enjoined for selling their 1924 crop on the auction floors. Three members of the association in Surry County who disregarded restraining orders were fined last week for contempt of court by Judge P. A. McElroy in the Superior Court at Dobson, N. C., W. L. Chilton, prominent merchant and fertilizer dealer of Surry County, in addition to his fine for contempt of court was required to pay liquidated damage and attorneys' fees for tobacco of the 1923 crop which he had sold outside of the association.

Virginia's twelve electoral votes will go to Davis in any event. Suppose every Republican in Appomattox help roll up a big majority for Davis. Would this satisfy the Democratic Executive Committee? And would these Republicans qualify themselves to vote in the Democratic primary next summer?

The TIMES-VIRGINIAN one year $1 50.

Furr—Ferguson

A very lovely wedding was solemnized in Liberty Baptist church Wednesday evening when Miss Sammye Ferguson became the bride of Guy Littleton Furr, of Bluefield, W. Va., Rev. H. P. East officiating. The colors used in the decorations were green and gold, candelabra casting a soft glow over the scene. The bride entered on the arm of her father, by whom she was given in marriage. She was gowned in canton crepe with pearl trimmings. Her veil was of exquisite Belgian lace caught with orange blossoms. She carried a bridal bouquet of white rosebuds and valley lilies. Little Miss Elizabeth Ford scattered flowers in the bride's pathway. Little Katherine Price, dressed in orchid carried the bride's veil. Miss Mary Judith, sister of the bride, was maid of honor and wore a Parisian gown of green trimmed in beads and ostrich and carried a shower of pink roses and asters. The bridesmaids, Misses Catherine Furr, Lucile O'Brien, Verta Smith, Eva Woolridge, Virginia Hancock and Louise Gills wore rainbow colors and carried baskets of flowers in varigated colors.

The groom was attended by his brother, W. J. Furr, as best man. The groomsmen were Armistead Wellford, of Pulaski, H. T. Furr, of Norfolk, Cyle Bruce, Braxton Hancock, Jim Gills and Harry Lawson, of Bluefield, W. Va. A very delightful musical program was rendered by Miss Eloise Atwood, pianist, of Lynchburg, Miss Marguerite Hancock, solo t. of Appomattox, Mr. Frederick Van Dusen, violinist, or Bluefield Immediately after the ceremony the wedding party was tendered a reception at the home of the bride's aunt, Mrs. C. A. Hancock, who was assisted by Mesdames W. B. Caldwell, D. N. Twyman, Mary W. McKinney and Miss Janie McKinney.

The out-of-town guests included Miss Louise Hamilton of Bluefield, Miss Eloise Atwood of Lynchburg, Mrs. Mary F. Furr, Misses Catherine and Mable Furr of Bluemont, Va., Mr. and Mrs. H. R. Furr Norfolk, Va., Mrs. Edgar Nelson, Mr Fenton Furr of Washington, D. C., Mr. F. T. Furr of Goldsboro, N. C.

The bride and groom left on the mid-night train for northern points. They will make their future home in Bluefield, where Mr. Furr is a valued electrical engineer in the Appalachain Power Co. Mrs. Furr leaves a host of friends in Appomattox as was attested by the crowd that thronged the church to see her married.

Without counting the daily utility of a Chevrolet for going back and forth to work, shopping or taking the children to school, etc., its value in saving doctor's bills, broadening your mental horizon and keeping the whole family physically fit, amounts to more than the cost of the car and its upkeep. It is more of an essential to the modern family than anything else but a home. Chevrolet meets the requirements of the modern family because it is economical to buy and maintain, because of its excellent appearance and riding comfort, because it can be depended upon, and because it is so easy to drive that any member of the family can use it.

CITIZENS OF VIRGINIA ANSWER ATTACK ON THE TOBACCO GROWERS CO-OPERATIVE ASSOCIATION

The Farmers Answer

Whereas it has come to the attention of the Halifax Unit of the Tobacco Growers Cooperative Association at its meeting at South Boston, Virginia, on this the 30th day of August, 1924, that there has been prepared and is being circulated in Halifax and adjoining counties the following supposed contract or agreement.

Therefore be it resolved:—

1st. That we seriously doubt that if the men's names that appear in this supposed contract were the originators of it and we believe there is behind these men an interest that does not have the welfare of the growers of tobacco at heart, but has the interest of the speculator in tobacco at heart, and is willing to go any lengths to prevent the success and development of the Tobacco Growers Cooperative Association.

2nd. That we most heartily condemn the action of any grower of tobacco who has his own interests and those of his fellow growers at heart for any connection with this move and earnestly request that every loyal member of our association regardless any connection or relation with any such member.

3rd. That we request the Board of Directors of the Tobacco Growers Cooperative Association to expel from the association the members of the association whose names appear in the above described contract.

4th. That we endorse the principles of cooperative marketing of tobacco and have abundant proof that they are sound in principle and workable in practice as has been demonstrated by the past two years of operation of the Tobacco Growers Cooperative Marketing Association.

5th. That we endorse and approve the management of our association and believe that they have conducted our association in the best interest of the tobacco growers of Virginia, North and South Carolina, and have given of their best efforts for the development of our best interest.

6th. That we pledge our unwavering and undying support to our Board of Directors and call upon each and every loyal member of our association to give to his organization his personal support in every way that will best promote the interest of the Tobacco Growers Cooperative Association.

7th. That a copy of these resolutions passed by the Halifax Unit of the Tobacco Growers Cooperative Association in session at South Boston, Virginia, with one thousand members present and without a dissenting vote, be sent to the Board of Directors, the county and local unit in Virginia, North and South Carolina, and that they be given to the press with a request that they be printed.

(Signed) B. BAXTER WILSON, Chairman Halifax County T. G. C. A

The Plan of Attack

Believing that the announced purposes of the Tobacco Growers Cooperative Association, of which I am a member, have failed, and that the said association as operated does not work to my benefit but to my injury, I do hereby contribute the sum of $5.00, $..... to a fund to be expended in the prosecution of proper inquiries and proceedings, legal and otherwise, to the end that appropriate relief may be obtained for myself and other subscribers to such fund.

The following are appointed a committee to administer said fund, namely: W. E. Hazelwood, W. E. Holt, Jr., and W. L. Seymour, and they are authorized to obtain contributions to said funds, to employ competent attorneys and accountants and such other persons as they think proper; to cause to be instituted such suits as the attorneys employed by them may advise, using my name as a party if deemed advisable, and to do any work and all things deemed by them necessary and proper to carry out the purpose above set forth. They may add additional members to the said committee if it is found desirable by them to do so. The said committee shall fix the compensation of all persons employed by it, and the compensation of the members of said committee for their services hereunder and in connection herewith shall also be paid from said fund, and shall be fixed by the following parties, to-wit: W. E. Hazelwood, W. S. Holt, Jr., and W. L. Seymour.

This is one of a number of similar subscription agreements, all identical constituting one agreement, between the several subscribing parties. It is expressly understood that I assume no liability other than is herein set forth, and that the said committee is not authorized to incur any debt for which I shall be liable.

All money collected for such fund shall be forthwith turned over to W. W. Shepard, Assistant Cashier of the Planters National Bank, South Boston, Va., treasurer of the fund, and by him deposited in the Merchants National Bank of Richmond, Virginia. All disbursements shall be made by the treasurer upon the order of said committee.

This attack on the Tobacco Growers Co-operative Association was denounced by 100 per cent of the Associated farmers attending a mass meeting at South Boston, Virginia, on August 30th, who without a dissenting vote requested the expulsion of W. E. Hazelwood and W. L. Seymour from the association. Ninety-five per cent of the business men of South Boston, Virginia, signed a protest denouncing the attack on the Association as unethical and against the principles of good business and fair play.
